

For every \$5.00 donation to the MdDS Balance Disorder Foundation, receive a Macy's shopping pass that's good for a discount on Macy's purchases made on Saturday October 16! *Shop for a Cause* is Macy's national charity shopping day that offers the opportunity for nonprofit organizations to raise funds in their communities. *Shop for a Cause* has helped raise millions for charity partners. Macy's invites charities to sell \$5 tickets and keep 100% of the proceeds of every ticket they sell. Help the MdDS Balance Disorder Foundation by ordering your passes now and planning to save at Macy's all day, Saturday October 16, 2010.

Shop for a Cause passes include 20% (or 10%) savings in most departments plus an additional 25% off a single item purchased. And, you will be eligible to win a \$500 gift card (no purchase necessary). With your *Shop for a Cause* shopping pass, you save on most items throughout the store and online at www.macys.com. And, if you shop online through iGive.com, you can raise an additional 2.4% of your purchase for the MdDS Balance Disorder Foundation at no extra cost to you.

This special Macy's shopping opportunity comes just in time for holiday shopping. And, the shopping passes make great gifts for friends and relatives (who also might like to donate to the Foundation and receive passes for their contacts at work or play).

To purchase your *Shop for a Cause* ticket(s) by **mail**, please make out your checks to the MdDS Balance Disorder Foundation and send them to:
